# choose NEFF

Any outstanding piece of music is only as good as the individual notes that comprise it. For beautiful music to be made-each beat must come together to form a perfect melody.

Why should a music awards program be any different? Just like the individual notes of a composition or the individual musicians that make up an orchestra—we bring the components together in a way that's exciting and rewarding.

From classic Chenille Award Letters and Patches to Certificates, Plaques, Letter Jackets, Pins, & more—Neff is a one stop shop for your entire awards program. Colorful graphics, matching colors, quality materials—these are just a few of the features that define our programs. Your musicians deserve the best—and that's what we are.

## MUSIC BANNERS

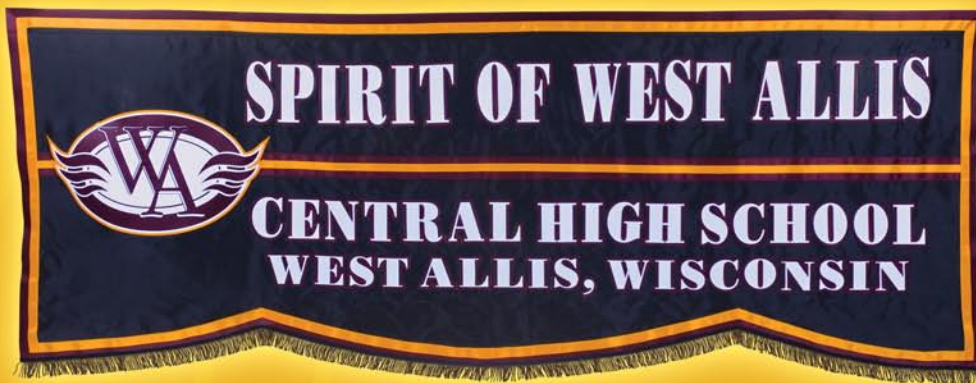

Whether you're looking to jazz up the band room, march in style, or simply put your band spirit proudly on display—Neff banners are an ideal choice. Choose from traditional twill, felt or nylon or our digital vinyl banners.
